GROWTH MARKETER | PAID MEDIA · RETENTION · ANALYTICS · SEO

Chennai, Tamil Nadu | +91 97159 85922 | pugazzh2802@gmail.com | linkedin.com/in/pugazhenthil

PROFILE

Growth marketer with **8 years in digital marketing**, including 5 years full-time across D2C e-commerce, edtech and programmatic ad-tech. Currently owns a **₹15L+ monthly Meta and Google Ads budget**, having lifted **ROAS from 0.8 to ~3** and **repeat-purchase rate from 27% to 51%**. Pairs hands-on media buying with depth in tracking and analytics, lifecycle automation and SEO strategy. Works as the bridge between data and decisions for stakeholders, clients and cross-functional teams, and negotiates vendor and publisher deals that stretch budgets further.

CORE SKILLS

Performance Marketing: Meta Ads Manager, Google Ads, WhatsApp Business Manager, programmatic display, media planning, bid and budget strategy, creative angle testing, influencer creative briefs

Analytics & Tracking: Google Analytics, Google Tag Manager, Meta Events Manager & pixel setup, UTM taxonomy, tracking audits, Power BI, Advanced Excel, performance dashboards

Growth & Retention: RFM segmentation, lifecycle automation (email + WhatsApp), AOV and bundling strategy, RTO reduction, CAC optimisation

SEO & Digital PR: SEO strategy, keyword and content briefs, premium publisher outreach, backlink negotiation

Stakeholder & Commercial: Stakeholder reporting, client presentations, cross-functional briefing, RFP media plans, vendor and martech negotiation

EXPERIENCE

M1 Marketing Pvt Ltd — IshqME (D2C fashion & lifestyle)

Jan 2025 – Present

Performance Analyst — Growth & Paid Media

- Own a **₹15L+ monthly Meta and Google budget** end to end, building funnel-stage media plans and setting bid and budget strategy across acquisition and retargeting.
- Inherited a below-break-even account at **0.8 ROAS**; introduced structured creative angle testing and wrote influencer scripts around winning angles, lifting **ROAS to 2 within six months and ~3 today** while steadily lowering CAC.
- Turned a **27% repeat-purchase rate into 51%** by building an RFM-segmented retention funnel with automated email and WhatsApp journeys for existing customers.
- Raised **AOV from ₹3,000 to ₹3,700** by launching product bundles and a progressive cart-value offer panel that rewards larger baskets with tiered discounts.
- Diagnosed attribution gaps caused by buggy legacy pixels; **rebuilt the tracking stack** (pixels, events, UTM structure), restoring clean conversion signals to Meta and sharpening optimisation.
- Shaped SEO strategy from keyword and content insights, and negotiated backlink placements in **Elle, Forbes and Vogue at 20–30% below quoted rates**.
- Reduced **RTO losses** on COD orders by deploying an AI voice-calling automation that confirms orders before dispatch.
- Present weekly performance insights to stakeholders and convert them into clear briefs for creative, tech and content teams, keeping every function working off the same data.
- Evaluated, negotiated and onboarded martech tools, running trials and pricing discussions to secure fair commercial terms.

Memob Plus India Pvt Ltd

Jun 2023 – Jan 2025

Programmatic Performance Executive

- Replaced manual reporting with automated dashboards and forecasting tools, cutting **manual effort by 50%** and **budget overspend by 20%**.
- Delivered **12+ programmatic campaigns a month**, presenting performance and objective alignment directly to clients, agencies and partners.
- Lifted **campaign performance by 25%** by continuously testing new channels, tactics and targeting against real-time data.
- Cut **wasted spend by 10%** by analysing CPM, CPC, CPL and CPD trends and turning findings into budget reallocation recommendations.

- Strengthened RFP responses with targeted media plans and audience segmentation strategies, improving client satisfaction and campaign effectiveness.
- Owned **publisher relationships across the GCC region**, driving revenue and delivering weekly and bi-weekly performance insights.
- Resolved tracking gaps by implementing and troubleshooting ad tags and pixels with internal teams, keeping reporting accurate across partners.

LMES Academy Pvt Ltd — Chitti, PickMyCareer

Jul 2021 – Jun 2023

Digital Marketing Team Lead

- Led a team of digital marketing executives, owning campaign delivery, deadlines and reporting across Meta, Google and YouTube.
- Improved **ROI from 15% to 18%** on a **₹2L weekly budget** through data-led budget reallocation.
- Grew **lead generation by 20%** by mining historical campaign data to rebuild targeting.
- Increased **event attendance by 60%** by building email and social lead-nurturing funnels.
- Partnered with the sales team to rework the sales pitch, contributing to a **55% increase in conversions**.
- Drove a **25% increase in website traffic** through paid social and search, and a **30% lift in ad engagement** through video creative built with the design team.

Freelance — Paid Ads Specialist & Copywriter

Jun 2018 – Jun 2021

- Planned and executed Meta and Google campaigns for small-business and individual clients.
- Wrote conversion-focused ad and landing-page copy that consistently improved CTR and lowered CPC.
